WFBA New Safety Product Savings Program

Savings Program for Safety Equipment & Supplies **2026**

Beeline Purchasing offers WFBA members an opportunity to order safety equipment and supplies direct from the manufacturer, to reduce the middleman cost. We use the buying power of associations to set up cost saving opportunities with manufacturers. We can offer the best choices in each price category of Personal Protective Equipment (PPE), Fall Protection and Logo'd gear that you currently wear and use.

Benefits include:

- ◆ Independent and unbiased brokers
- ◆ As Brokers, we shop several sources for best product at the best price
- ◆ We order direct from manufacturer, to reduce middleman costs and save you money
